OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 25 April 1962

1. [] In accordance with previous arrangements, Robert Smart and William Darden were taken to the Stewart Building where they were given detailed briefings and a tour of some of the facilities by []. At this time they signed the appropriate clearance documents for three sensitive projects. [] did an excellent job in briefing them and they expressed their view that this filled in the picture for them and gave them a much greater understanding of the programs.

2. [] Alerted Mr. Darden to the TV program with Mr. Dulles on 26 April requesting that he mention this to the Chairman. He was requested to point out that the Agency is in no way officially connected with this presentation.

3. [] telephoned advising that the lawyer [] for the two individuals who had hijacked a Piper aircraft last week had requested the Agency office there to interview these people. Upon refusing to do so, the office was advised by the lawyer that he was going to push this by contacting appropriate congressmen and others. This was merely an alert and no action will be taken at this time.

4. [] in the office of Senator Karl Mundt telephoned asking that the Senator be put on the mailing list for the []. Also, [] requested that the Senator be forwarded the [] which had a reference to Senator Mundt. Arrangements were made [] to send the [] issue to Senator Mundt and also to put the Senator on the mailing list.
